

# Exclusive, limited-time offer: Invisalign® certification promotion for select third-party dental organizations.

Your pathway to becoming  
an Invisalign provider.

The New Provider Onboarding Program is designed to provide access to best-in-class tools, resources, and support to implement Invisalign treatment into your practice confidently and sustainably. Take advantage of special savings off the list price of an Invisalign certification course available to active members of select third-party dental organizations today.<sup>1</sup>

## Phase 1 Onboarding & certification

Become a certified Invisalign provider in three guided steps.

### 01 On-demand training course

Build your orthodontic foundation and learn about treatment options with this self-paced, virtual module.

### 02 Guided case selection

Work with a dedicated Onboarding Consultant to identify three starter cases to get you started treating with the Invisalign system.

### 03 Invisalign Treatment Planning Workshop

In this expert-led, in-person workshop, review and treatment plan your three starter cases.

After the completion of this phase, you will become a certified Invisalign provider ready to start treating patients. **But the support doesn't stop there.**

## Phase 2 Practice integration

Your dedicated Onboarding Consultant will continue to work one-on-one with you for the next three months to create a customized plan tailored to your unique needs and practice goals. From getting familiar with the treatment planning process to exploring financials to building efficient workflows – your Onboarding Consultant is your go-to-guide.

## Phase 3 Scaling your Invisalign business

Designed to assist you in the acceleration of your practice growth with Invisalign treatment, this phase focuses on expanding your education. Your Align sales representative will continue an open dialogue to connect you with best-in-class education and marketing resources tailored to your needs.
